CE956: Statistical Learning
Department of Computer Engineering
Sharif University of Technology
Spring 2019: Room CE204, Sat. & Mon.: 13:30-15:00

Quiz 06 (20 Points) – (May-18-2019)

Interpretable Learning:

1. What are the main deficiencies of deep networks? Explain. (5 points)
2. What is meta RL? In what respect it helps interpretability? (7.5 points)
3. What is a graph network? In what respect it helps interpretability? (7.5 points)
